“I worked with the team at Atlantic-Pacific for three years and was always impressed with its professionalism and collaborative approach,” said Mr. Imhoff. “I’m very pleased to become an official part of this great organization.”

Mr. Hypes has 12 years of experience in the industry, most recently serving as a Vice President in Lazard’s Private Capital Advisory group, where he worked for nine years. In that role, he led fund placements across North America, with a particular focus on the Western U.S. and Canada. Prior to that,

he covered high-net-worth, institutional, consultant and large separate account clients at Aurora Investment Management, a hedge fund-of-funds platform, for three years. Mr. Hypes earned a B.A. in Economics from Denison University.
