

IMM Private Equity Raises \$1.8 Billion of Commitments

Atlantic-Pacific Capital served as the exclusive global placement agent

NEW YORK / LONDON / HONG KONG - **Atlantic-Pacific Capital, Inc.** is pleased to announce the final closing of **IMM RoseGold IV** (the “Fund”). The Fund received primary and co-investment capital commitments in excess of \$1.8 billion, exceeding its fundraising target of \$1.5 billion. The Fund garnered support from a diverse group of global LPs comprising both domestic and international sovereign wealth funds, pension plans, insurance companies, corporate investors, and asset managers. Atlantic-Pacific Capital served as the exclusive global placement agent.

IMM Private Equity (“IMM”), formed in 2006, is one of Korea’s largest and most established private equity investment firms. IMM maintains a balanced strategy between buyout and significant minority investments, fully capturing the diverse array of investment opportunities arising in Korea. The IMM team has extensive experience identifying proprietary investment opportunities and adding value via its active, hands-on approach to operational improvement. As a leading private equity firm in Korea, IMM has achieved one of the strongest and most consistent investment returns.

Hae-Joon Joseph Lee, CIO and Partner said, “We are honored that numerous Korean and international investors have placed their trust in IMM, especially in these volatile and uncertain times. We look forward to cooperating closely with our investors on fund and co-investment transactions in the next couple of years through RoseGold IV.”

Vincent Ng, Partner at Atlantic-Pacific Capital, said, “It has been a real honor and pleasure to work with IMM. We sincerely appreciate the team’s continued support and friendship throughout this turbulent fundraising period. We hope to have the privilege to continue collaborating with this esteemed group of investment professionals.”

Charles Wan, Partner at Atlantic-Pacific Capital, said, “We are pleased with the successful outcome of the capital raise for IMM Fund IV, particularly in light of the highly challenging global fundraising environment amidst COVID-19. It is a clear indication that investors value the consistency and performance that IMM possesses.”
